Assistant Principal's Report

Year 3-6 Aquatic Program
Our Year 3-6 students commenced their Aquatic Program today. This year, KPS has employed qualified AustSwim instructors who will teach all of the groups of children. This will ensure that all students are taught at their appropriate skill level but also extend each student to achieve their maximum potential.

Division Swimming Carnival
This annual swimming carnival is being held at the Korumburra Pool tomorrow, Friday 28th February. We have 12 students representing our school and district and we wish them the best of luck in tomorrow’s competition. Congratulations to Mrs Shelley Snooks on her organisation of this event.

Early Years Assessment
Our teachers in Years Prep – 2 have been working hard to complete their assessment of the children in their class. Thank you to our Prep parents for bringing their children up to school for their Wednesday assessments. Well done to all our Year Prep – 2 staff for their efforts with the testing regime and our other staff who provided time for the class teachers to complete these assessments.

LAP Program
LAP is a program designed to improve self-esteem, self-confidence and a sense of achievement for students with particular needs. Volunteers from the community work with students on a one-to-one basis on activities determined by the student and the volunteer together. Volunteers must have a Working with Children Card and be able to be matched appropriately with our students. If you would like to find out more about becoming a volunteer, please contact Parents & Friends President Pee Wee Lewis or staff members Emma Morton or David Gray.

Year 4 Netbook Program
Our Year 4 students are eagerly looking forward to taking their new netbooks home with them after they do some more training on them at school. The Year 4-6 students will be meeting on Friday 28th February to discuss the many issues associated with the use of their netbooks.

To enable the Year 4 students to take their netbooks home, we are holding an Information Evening next Tuesday, 4th March in the Year 4 building at 7:00 pm to which we invite all Year 4 parents. This evening will be led by Ms Laurie Bier and Mr Nathan Pirouet. The Year 4 students (as well as our Year 5 and 6 students), together with their parents will need to sign an agreement that indicates how the students are to use and care for their netbooks. This new agreement needs to be renewed each year. The agreement will be discussed and after signing the agreement, families will be able to take their child’s new notebook home. We look forward to seeing all the parents of our Year 4 students on Tuesday evening.
Parking around James Street and Wrench’s Lane at Pick Up Time

We ask parents to make sure they park legally at pick up time. Please note that you are only allowed to park on the school side of Wrench’s Lane where the houses are. Please do not park on the house side of Wrench’s Lane. We also ask parents not to stop next to the Uniting Church Clothing Charity Bin in the Church Car Park as this limits the flow of traffic. We ask parents to help us with this matter as the safety of your child/ren is our major concern at this time.

Your Child’s Teacher

Please don’t forget that if you have some important information that you believe would assist your child’s teacher to support your child’s learning, now is a good time to make an appointment to speak with them. Having this information can be vital to allow the teachers to provide the best possible learning opportunities for your child. Appointments can be made through the School Office. Note that more formalised discussions will take place later this year.

Spot Mr Gray’s Spelling Mistake

Did you spot the deliberate spelling mistake in my last report? If not, the error was in the word ‘congratulations’ which I mis-spelt as ‘congratualtions’. We only had 1 great spelling mistake spotter this week and it was Sophie McKenzie. Congratulations Sophie! Good luck spotting my mistake in this report.

David Gray
Assistant Principal

It’s time to get fit, at Switch Training Studio!

Currently offering: Boxing Class, ‘Butts and Guts’ fitness class, Yoga and more.

Switch's fitness classes will be run by Tenille Bentvelzen. Tenille completed three years of university study to obtain a Bachelor of Exercise and Sport Science, and has recently completed a Level 2 Boxing Instructor course. Tenille spent a year working in YMCA fitness centres in the Melbourne area before returning to her home town of Leongatha. She is one of the most knowledgeable and mindful trainers that I have come across. During classes Tenille provides challenges and modifications to cater for the complete beginner to the fitness enthusiast.

Alongside Tenille at Switch is Hess Strenger. Hess is our Yogi Master that has practised Yoga for over 30 years! Now as a teacher, he brings a great energy to the studio during his classes. Yoga will help you become stronger, improve your flexibility, and really help to ease and melt away the stresses and tension in your life.

At Switch we have a range of ways to help you start your fitness journey from our personal and small crew training options, up to our group fitness class options.

Add “Switch Total Health Club Korumburra” on Facebook for regular updates and more information. We are located on the bottom floor of the Korumburra Tennis Club. If you would like any further information please call Tenille 0427115633, alternatively send an email to tenille.bentvelzen@hotmail.com and she will be happy to answer any questions you may have.

We hope you can make a time to come in for a class and we look forward to seeing you at Switch!

Jai O’Flaherty, Switch Total Health Club Owner.
